## About Us

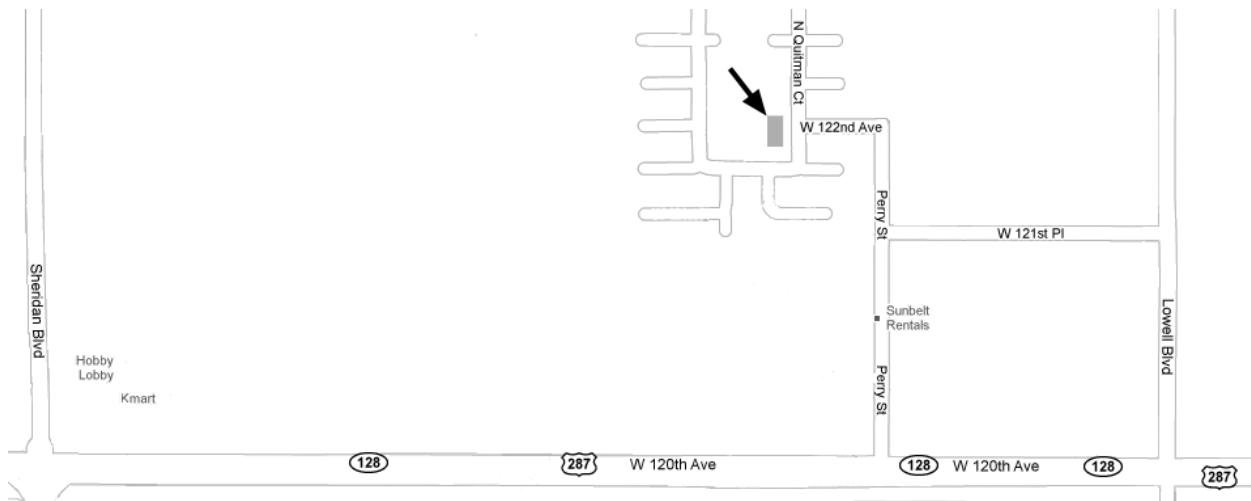

The Northside Coin Club (NSCC) meets monthly on the first Thursday of each month. Our member interests include many aspects of numismatics, including US and world coins, paper money, tokens, medals, and other memorabilia. There is an active bourse for buying and selling coins and other numismatic items at each meeting. There is also a monthly auction where you can find great deals on great coins! Members who have coins and other numismatic items to sell can display their wares. Visit us at [www.northsidecoinclub.org](http://www.northsidecoinclub.org) or email us at [info@northsidecoinclub.org](mailto:info@northsidecoinclub.org) for more information.
